DEDICATION

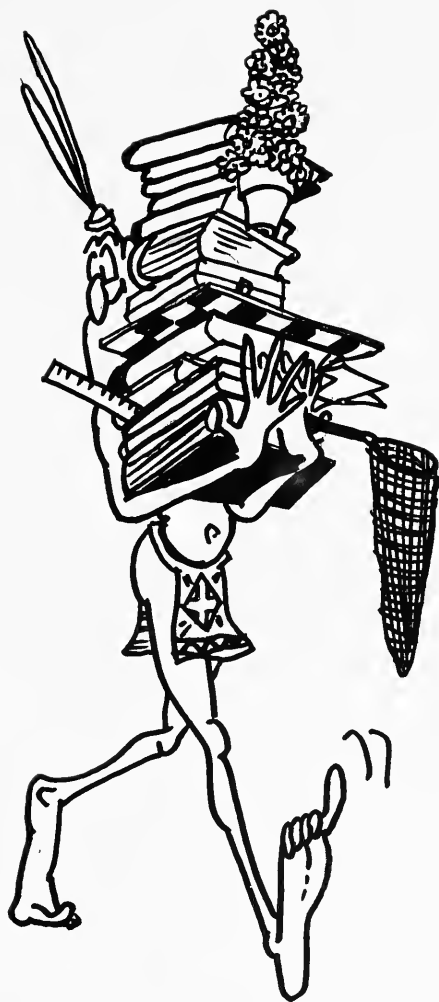

Mr. William B. Sowell

This Edition of the 1967 CHOWANOKA is dedicated to one who has brought honor to Chowan College as an outstanding student, a loyal alumnus, and a dedicated professor. Graduation from the school of Graphic Arts soon after the school was organized, he did additional study at East Carolina College before returning to Chowan College to give unselfishly of his time and talents to his alma mater. A friendly smile for all, a loyal member of his Methodist Church, a Southern gentleman, and a good Christian—these phrases are typical of the man to whom we dedicate this annual. It is with sincere appreciation that we, the Chowanoka staff, honor in this dedication of the 1967 CHOWANOKA Mr. William B. Sowell.

Guiding the students in the printing of the annual is just one of Mr. Sowell's many tasks.

Academics

Dear Fellow Chowanians:

By the time these words reach the printed page, the greater portion of academic year 1966-67 will be history. Each of us has experienced many different moods throughout the course of the year: frustration at the seeming inability to penetrate some difficult assignment; agitation over the multitude of tasks which seemed to press in upon us, simultaneously; elation over an academic job well-done, an athletic contest well-fought, or a social affair where warmth of friendship was in evidence.

We have known joy in the cultivation of friendships, new and old. We have known sadness at the passing of a fellow student and of staff personnel. We have known the closeness of God in quiet solitude or in corporate worship.

For all of us the year 1966-67 has been one in which Life has taken on added dimensions academically, socially, religiously. My hope is that it will prove to have been a "station along the way" toward full maturity intellectually, socially, and spiritually.

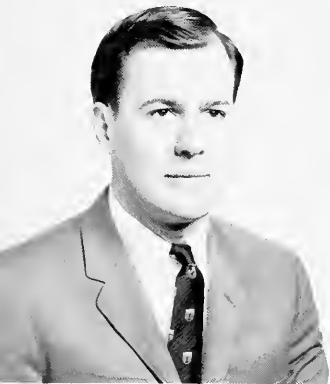

Cordially,

THINK ON THESE THINGS

What to remember. — what to forget. — that is the question.

It seems to me that the good things, the heavenly guidance, the help that other men have given us to keep the right path, are the things to remember.

The mistakes, the false leads, the devilish influences, are the things to forget.

SENATE

The Student Government Association works to promote the best interests of Chowan College; to further the welfare of the Student Body; to cooperate with the administration and faculty in regulating matters pertaining to the conduct of the members of the student body and to represent student opinion in student faculty administration relations. The S. G. A. is assisted by the senate composed of all the presidents of all organizations on campus and the Student Government officers. Among its many jobs including those promoting a democratic governing body, probably the main one deals with entertainment sponsoring concerts and off campus socials.

Left to right, Betty Holleman, Sharon Pierce, Ava Quincy, Evelyn Stone, Jo Ann Salter, Lee Ennis, and Loretta Vann. Standing, Miss Frances White, A. J. Murphy, Wayne Wilbourne, Jimmy Smith, Mike Alemmens, Tommy Brett, Ronnie West, Johnny Foster, Robert Huffines, Lynette Finch.

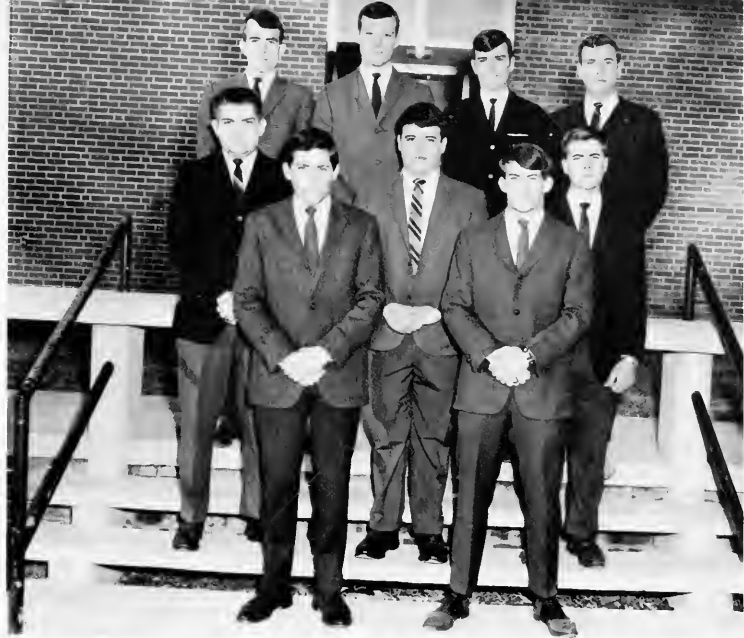

S.

N.

E.

A.

The Student National Education Association of Chowan College was organized in 1958. The Chowan Chapter is a member of both the North Carolina Education Association and the National Education Association. The S. N. E. A. replaces the Future Teachers of America as a national professional organization for college students preparing to teach. Therefore, the Chowan Chapter's activities are directed toward the interests of the education student. One of the various activities is the observation of the elementary grades and high school departments in Murfreesboro. Also, the attendance at the many state and district meetings gave the members a chance to learn about other colleges and their activities and to observe teachers in action. The primary function of the S. N. E. A. is to aid the education student in learning and becoming acquainted with the principles and future procedures of the teaching profession.

Making up the Men's Council are Chuck Lewis, Windy Windborne, Ken Stephenson, Omar Kalgren, Mike DeJohn, Mike Clemis, Tom Clements, Jack Britton, and Lloyd Joslin.

MEN'S

COUNCIL

Keeping in mind the purpose of developing loyalty, unity of spirit, and a feeling of responsibility among students, the Men's Council began its first year under the newly revised constitution. Under the capable direction of Dean Masters the council strives to maintain and develop a spirit of cooperation among the male students, faculty, and administration. In order to maintain a constant pace with the progressive innovation of Chowan College the council has changed not only in structure but in purpose and responsibility.

WOMEN'S COUNCIL

Making up the Women's Council are Joyce Hardee, Jiffy Brittingham, Pam Rosser, Kay Hill, Teresa Taylor, Judy Linn, Sharon Copeland, Leigh Roblett, Tonia Joyce, and Emily Kizer.

Hey Girls! Lets Watch That! There will be no running in the halls; off that telephone after eleven; get in your own rooms; no record players or radios on during study hours, it is time to hit those books or call downs will be given! What did you say we could do? Look out girls, here comes that Women's Council!!!

The Women's Council is made up of elected representatives from each of the girls dormitories. The function of the council is to promote a Christian atmosphere by improving social and academic conditions; by helping the girls learn to work together as a group, and to develop loyalty.

The Iota Delta chapter now consists of 27 members with Mr. Frank Lowe as advisor. The organization entered a float in the Homecoming Parade which won second place.
